The series of events took place online and in person in Novo mesto, Slovenia, on different dates: Week of Cultures Event on the 17/09/2021, Counter Euroscepticism Conference was on two dates, but we were presenting this project on the 26/11/2021 and the event in the School of Economics and Media took place on the 10/01/2022.

Short description: The aim of the event was a competition announcement for a social campaign on immigration / Dublin / Euroscepticism and the organization of installation of stands in order to inform wide public about the historical results and the benefits of the Union and the costs of its explosion and gathering opinions on Dublin, on European management of migrants and on Recommendations.

Event 5 - PROJECT ACTIVITIES: DISSEMINATION OF RESULTS

Participation: The event involved 58 citizens.

The event involved 14 participants in Italy, including 9 participants from the city of Spoleto (Italy), 2 participants from the Marche (Italy), 2 participants from the city of Foligno (Italy) and 1 participant from the city of Nereto (Italy).

The event involved 6 participants in Serbia, including 3 participants from the city of Sombor (Serbia), 1 participant from the city of Novi Sad (Serbia) and 2 participants from the city of Sremski Karlovci (Serbia).

The event involved 12 citizens in Croatia, including 5 participants from the city of Slavonski Brod (Croatia) and 7 participants from the city of Zagreb (Croatia).

The event involved 26 citizens from the city of Novo mesto in Slovenia.

Location / Dates:

The event was organized in Italy as a live meeting on 18/09/2021 and on 28/10/2021; it was performed online on 18/01/2022 through a dissemination campaign.

The event was performed in Serbia as a live meeting, organised in the building of Province of Vojvodina, by Danube 1245 with help of Province Secretariat of Regional Development, Regional Cooperation and Local Self-Government on 13/12/2021.

The dissemination activities took place online in Croatia from 01/08/2020 to 27/12/2021.
The event took place in Novo mesto, Slovenia, on 22/10/2021.

Short description: The aim of the event was the dissemination of project results to three actors: the European decision makers, the general public and the direct participants. The result on European decision makers was the attention to Recommendations: on the parliamentarians elected in the participating countries, the partners collected interviews on the feasibility of the Recommendations and their political sustainability. Social and media (press, TV, web) involved the general public. The participants, with the help of partners' mediators and secretariats, strengthened their awareness of political protagonism.
